Teams:

Please make every effort to send a complete team (minimum of 4, maximum of 5 kids; Advanced are teams of 2). If your club does not have enough members to make a team, please network with other clubs to make a complete team prior to turning in your entry. In the spirit of encouraging kids to learn how to play the games, to have fun, and to experience a rally, scramble teams will be allowed, but trying to put together scramble teams a week before the rally is very stressful for the organizer. Your help is greatly appreciated!

Walk/Trot Division:

Games rally is a great first rally for your younger members. It is set up as a learning experience. Single entries are accepted—you don't need to send a complete team. There is assistance offered during the riding part as well as horse management. The kids work together to learn how to set up a tack stall and how to rally. It is very low key and FUN! You will be contacted ahead of time as to what you will need to bring to contribute to the tack stall. Please call the organizer if you have any questions.

Games will be selected after the publication of the Games Spring Newsletter**Championships Qualifications:**

Individuals will be selected following the conclusion of the qualifying Rally and after consultation with the RS, Vice RS- Rallies, and any other appropriate individuals. The Vice RS- Rallies coordinates observation at games, dressage, show jumping, eventing and tetrathlon rallies to determine overall safety of the horse(s) and rider(s) for competition at the National level. The purpose is to eliminate any horse/rider combination that is blatantly unsafe. Team selection will be based on placement in the scoring, safety considerations, maturity level, sportsmanship history, stable management performance at rallies, readiness for Championship level competition and any other factors affecting the chances of a successful team experience for all involved. Competitors with any sportsmanship points, more than 10 horse management points will not be invited by the RS to compete at Championships.

No competitor may change to another discipline once he/she has completed the paperwork and has paid the entry for Championships. No competitor with outstanding debts owed to their club, the region or the national pony club will be permitted to enter the National Championships. It is the obligation of the club DC and treasurer to notify the RS if these conditions exist.

It is expected that the Championships competitor, their parents and their DC have carefully read the qualifying guidelines for the discipline in which they hope to qualify, and are thoroughly familiar with the rules and qualifying criteria for that discipline.

Games teams are required to qualify as a team and **MUST** compete at Championships as a team. Team members must live in close enough proximity to practice together (<less than 1 hr. apart) Ponies who become unsound may only be replaced with the approval of the RS & the national Games chair.
